Jumper Divisions:

Horses are to be judged only on performance over a pre-designated course. The competition management must ensure that a plan giving precise detail of the course is posted at least 30 minutes before start of competition. Jumper tack as per Equestrian Canada Rules.

- **0.90M Jumper Division:** Open to all horses and ponies. Maximum spread 1m. Run under Table A.
- **1.0M Jumper Division:** Open to all horses and ponies. Maximum spread 1.10m. Run under Table A.
- **1.10M Trillium Jumper Division:** Open to all horses. Maximum spread 1.20m. Run under Table A.

Certain divisions may be combined at qualifying competitions throughout the season, however they will run as separate divisions at the Championships.

The 50% Rule in 2022:

As a development focused provincial circuit the THJA has voted to relax the **50% rule to allow for horse/rider combinations to move between divisions as their coaches feel appropriate**. This adjustment will allow athletes to develop their competition skills at the level that is suitable at that point in time during the season. **Points will ultimately determine the top seven in each division.**

Following lengthy discussion of the 50% Rule the THJA board of directors has voted to adjust the 50% Rule for the 2022 season as follows in an effort to allow for flexibility:

- A competitor must show (Show = Marked on a Judge's Card) in a division at a minimum of 50% of the THJA shows in their zone for their points to count towards the Championship Show. For 2022, movement of a horse/rider combination between eligible divisions over the course of the season will be considered in the overall show count to meet the 50% requirement.
- A competitor must show (Show = Marked on a Judge's Card) at a minimum of 50% of the THJA Shows in their zone in their respective equitation/medal classes for their points to count towards the Championship Show. Showing in only equitation/medal classes at a show will not be considered towards division participation tallies.
- In zones with six or fewer shows, competitors must attend a minimum of three shows regardless of the 50% rule.
