EQUINE HEALTH REQUIREMENTS & BIOSECURITY

Wesley Clover Parks endeavours to provide a healthy environment for all participants both human and equine. Through biosecurity proven good practices such as proof of vaccination for entry, our Healthy Horses Only Policy, an Equine Health Attestation, regular stall disinfection, manure removal, the ability to isolate sick horses, access to veterinary care and hospitalization; Wesley Clover Parks has a venue specific plan in place in the event of illness. The following are our requirements in addition to the EC rule for vaccines already in place.

- 1. Proof of Vaccines:** Proof of vaccines must be emailed to stabling@wesleycloverparks.com indicating the horse's show name and date of administration of EHV 1 & 4 and Equine Influenza (as per Article A519). Competitors failing to meet this requirement will be asked to leave the showgrounds or not permitted entry.
- 2. Coggins Test:** Required for all horses on-site and must be available upon request at show management's discretion.

Equine Health Attestation: As part of Wesley Clover Parks' Healthy Horses Only Policy, each owner and/or trainer by making an entry attests that their competing horse(s) to the best of the owner/trainer's knowledge have been in good health with a resting body temperature below 38.6°C, have shown no signs of undiagnosed respiratory illness nor infectious disease; and that they have not been in contact with any other horses (away or at their home facility) exhibiting symptoms or signs of respiratory illness or infectious disease within the last 21 days.

They also agree to continue to monitor their horse's temperature upon arrival and twice daily while on site.

Further, all agree to share knowledge of any stabled horses who exhibit symptoms of infectious disease or have had contact with any other horses who exhibit such symptoms, and agree to immediately inform the Organizer by email at entries@wesleycloverparks.com and inform Tournament Manager Tracy Howard at (613)-298-3854.

3. Complete contact information and contact tracing

NON COMPETING HORSES: Each horse on the property must be declared. Horses found on the property without an entry form will be charged an additional fine of \$200.

SITE ENTRY & BIOSECURITY: Overnight security will be on-site, braiders are asked to report in with overnight patrol. In addition to rule A519 Vaccinations, biosecurity measures are in place for horses. It is the braider's responsibility to ensure safe practices are followed if visiting multiple barns. All grooms, trainers and competitors are also responsible to follow safe practices if visiting more than one barn and are expected to limit their traffic footprint to their own stable area. The stabling area is closed to spectators.

(A602.1) Any horse entered in any class at a competition may be selected for equine medication control testing while at the event location. (A602.5)

All persons shall be committed to:

- Upholding the welfare of all horses, regardless of value, as a primary consideration in all activities.
- Requiring that horses be treated with kindness, respect and compassion, and that they never be subjected to mistreatment.
- Ensuring that all Equestrians including owners, trainers and competitors, or their respective agents, use responsible care in the handling, treatment and transportation of their own horses as well as horses placed in their care for any purpose.
- Providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort, and safety as a matter of standard operating procedure.
- Providing current information on Code of Practice for the Care and Handling of Equines and other equine health and welfare initiatives.
- Continuing to support scientific studies on equine health and welfare.

EC ACCIDENTS & RETURN TO PLAY RULE

Equestrian Canada's concussion related Accidents & Return-to-Play Rule came into effect Jan. 1/2017 for all EC sanctioned competitions in Canada. The full rule can be found in the EC Rules, Section A, General Regulations, Article 101. Key components of the rule include the following:

- In the event of a fall/accident where a concussion can be reasonably suspected, the competitors must receive medical clearance by qualified medical personnel on-site before continuing to compete.

- The competitor is solely responsible for ensuring the on-site medical assessment takes place. Should a competitor refuse to be evaluated, they will be disqualified from the competition.
- If on-site qualified medical personnel suspect a concussion or believe the competitor may be at risk of concussion due to the nature of the fall or impact, the competitor will be suspended from competition and placed on a Medical Suspension List until medically released.
- Competitors will remain on the EC Medical Suspension List until they submit an EC Return-to-Play Form, signed by a licensed physician, to EC.
- No competitor shall compete at EC sanctioned competitions while on the EC Medical Suspension List and competition organizers may refuse entry to anyone currently on the list.

NEW IN 2023:

EQUESTRIAN CANADA COACH STATUS REQUIREMENTS

As of July 1, 2023, the Show Office is required by EC to enforce Coach Status Requirements. Effective July 1, 2023, per Equestrian Canada's rules Canadian residents coaching athletes at EC-sanctioned competitions must meet minimum Coach Status requirements as outlined below.

Event Sanctioning	Minimum Coaching Status Requirement in 2023
EC Bronze and/or Silver	EC Registered Coach
EC Gold and/or Platinum	EC Licensed Coach

For those who do not meet the minimum requirements by July 1, the Temporary Coach Status will be applied and should be reviewed in advance.

In 2023, minimum Coach Status requirements will be enforced at all EC-sanctioned events. Recognizing some coaches will not have completed their EC Coach Status requirements when enforcement begins, the EC Board approved Temporary Coach Status (TCS) for the 2023 show season. Temporary Coach Status (TCS) will come into effect on July 1, 2023.

Costs of Temporary Coach Status

The fee is determined by the event sanctioning level and the individual coach's EC Coach Status. TCS is valid for one (1) EC-sanctioned event only. The TCS fee will increase annually until it is retired at the end of 2025.

Temporary Coach Status Fee 2023			
Event Sanctioning	I do not have a valid EC Coach Status	I am an <i>EC Registered Coach</i>	I am an <i>EC Licensed Coach</i>
EC Bronze and/or Silver	\$100.00 per event	Not applicable	Not applicable
EC Gold and/or Platinum	\$100.00 per event	\$25.00 per event	Not applicable

How is Temporary Coach Status obtained?

Coaches complete a TCS Form and submit this to the show office with appropriate payment. EC has mandated that the show office is not permitted to issue numbers to athletes of any coach with insufficient coaching status until the TCS form and fee has been submitted.

- The TCS Form will be available online; coaches are encouraged to complete and print the form before arriving at the show office to expedite processing.
- TCS Forms submitted without payment are incomplete.

Per EC, the TCS fee may not be added to a trainer split or applied to one or more athletes' show bill without written consent from those included on the split and/or bill(s). This fee is to be incurred by the coach and not the athlete(s).

For more information please email coaching@equestrian.ca or visit <https://www.equestrian.ca/programs-services/coaches>.

Please note: Trillium/OVPSC shows as well as Major League Show Jumping at Wesley Clover Parks are dual-sanctioned competitions. This means that those who do not have valid coach status will be required to pay the fine for each EC-sanctioned event that they have students competing in.
